

Dear Pastor,

I am writing to share with you the exciting news that the LORD has led my wife, Hannah, and I to start the Liberty Baptist Church in the Bowling Green, Kentucky area! Bowling Green, Kentucky is the third largest city in the state with a growing population of 71,623 and an even greater county population of 132,896 as of 2020. There are many lost souls to reach and much work to do for the cause of Christ in this region of the country. We earnestly covet your prayers as we seek to move forward in the will of the LORD!

My wife, Hannah, and I have each had the privilege of growing up in a wonderful Christian home with parents in full-time Christian service! We have been active (both individually and now as a couple) in the bus ministry, soul-winning, special music, Sunday school, nursing home ministry, addictions outreach, VBS, and visitation ministries of our home churches. We have both received Bible college training as well as practical experience through full-time ministry involvement. My wife has served as her home church's pianist and church secretary. I have served at Circle C Baptist Ranch, taught at Commonwealth Baptist College, and served as an assistant pastor to Dr. Jeff Fugate (my pastor for over 23 years). To my wife and I, serving God is not a part of our lives - it is the purpose of our lives!

We will be planting the Liberty Baptist Church through our home ministry, the Clays Mill Baptist Church in Lexington, Kentucky. As we begin this brand-new work for the LORD, we would like to ask for your support in one or more of the following ways:

1. Please PRAY with us that the LORD's hand would continue to be upon this work!
2. Please consider having us come and share our burden with your church through a word of testimony, preaching, and/or special music!
3. Please consider taking us on for monthly financial support for 12 to 18 months as we work to plant another local New Testament church for God's glory!

Thank you for your consideration of these requests and for your continued prayers! We eagerly anticipate what God is going to do through the Liberty Baptist Church in Bowling Green, Kentucky!

Sincerely,

Jared A. Young
